WE SORT OF TRANSFORM GOODS FOR A LIVING

THE REVOLUTION OF CURRENT MARKET OF APPS

It will provide a road of salvation to goods you don't want. In this app, you will be able to sell your product or even trade it for something with the same value (in the open market within the app)

MY AWESOME SERVICES

EXCHANGE SYSTEM

Exchange with a product of your choice to get hold of your desirable product.

LISTI

Enlist your possessions in the sale market, buy from the purchase market and more importantly, trade your assets with something you desire which has equal worth in cash.

USER FRIENDLY

Easy-to-use and have no restrictions thus eliminating class differences. It will be supported by an artificial intelligence system which will calculate the value of your product and will show the results correspondingly.
